### Coast Guard visit on-the-ground opportunity to compare search, rescue work

Sara White,  
Managing editor

Search and rescue responders meet many times under the worst conditions to do the best work possible. Canadian Coast Guard rescue training centre personnel travelled from Dartmouth to 14 Wing Greenwood January 24, making time to find out more about 413 (Transport and Rescue) Squadron's personnel, assets and procedures.

"We deliver search and rescue training to the Coast Guard fleet from our own diverse backgrounds – small craft operations, rescue..." said senior SAR program

operator Peter Milhausen. "We work with 413 Squadron all the time – they do hoist exercises off us to get their people requalified, and it also helps us know what to expect: how to do a hoist, a medevac, the equipment involved, what an interaction will look like when they land on us...."

"And the Hercules uses our vessels as targets to track, and line up on for dropping smokes."

And, because the Coast Guard has vessels in and out of dozens of East coast ports, they sometimes have the opportunity to collect 413

Master Corporal Shaun Robertson welcomed visiting Coast Guard search and rescue training centre personnel to his workspace: the back of the CC130 Hercules, where he sets the configuration for mission kit, spotting platforms, equipment drops and more – all with safety in mind.

...cover Squadron gear from fishermen who may have needed it. "In an emergency, we know we definitely want 413 to come help us. We do get feedback from fishermen and other boat operators, probably more than 413 Squadron does, because we're in the community and people see us at the wharves." On today's visit, search and rescue technician Sergeant Sheldon Roy toured the Coast Guard contingent through the SAR shop, pointing out the array of medical, climbing, diving, small boat, ATV - and more – equipment, and detailing the extensive calendar of qualifications the SAR-Techs must maintain. "We're always making sure everyone has what we need to keep flying, and do it safely," Roy said. "Between maintaining the search and rescue currencies, plus the operational currencies on an aircraft, we track a lot!" On board the 413 Squadron Hercules, loadmaster Master Corporal Shaun Robertson described the ways the aircraft can be configured to carry all the gear for a mission, what happens as spotters take their posts at the side windows, the tail ramp opens for gear drops or SAR-Tech jumps; how the Hercules operates during a search - and safety. "Communication is super key – there is lots of kit here, multiple people and it can get pretty busy – but safety is #1. We're always checking each other: we're all a team, and we're each working for the team." Routines are the same, whether it's a training flight or an emergency call. "We keep the knife sharp – people say it is monotonous, but monotony is key." Milhausen said the in-person opportunity to tour 413 Squadron's facilities and aircraft, and meet the people on the other end of a radio or hoisting cable, makes a big difference. "All the little details we pick up today – you can't underestimate the connection between what we may be doing, and why 413 is doing something the way they are," says Milhausen. "Whenever we can work out training opportunities or visits, it's all a benefit." →

# Tough tournament, but 14 Wing's basketball future another story...

**Sara White,**  
Managing editor

After nearly three years of waiting, the CFB Halifax men's basketball team reclaimed the title of Canadian Armed Forces Atlantic Region Basketball champions. The Mariners took down teams from 12 Wing Shearwater, 14 Wing Greenwood and their rivals from 5 Canadian Division Support Base Gagetown to win gold at the 2023 regional championship January 24 to 27 at the Shearwater Fitness and Sports Centre.

14 Wing Greenwood had a tough tournament, including a 48-point loss to Halifax, but Lieutenant Jon Wilson – a 10-year CISM basketball team member, says the scores don't tell Greenwood's full story.

"It was just an awesome team event," he says. "We never had a complete practice, we lost most of our games – but I'm so proud of this team. We got together – we were SO together!"

Wilson highlights several team-defining moments, including one in that deep Halifax loss.

"When you're losing by that much, you keep the ball in your half, generally. So, Ramy (Second Lieutenant Ramy Nader, with Wing Comptroller) gets the ball – it's his first tournament. He took a step back jump shot – not easy to hit. He made the shot with 1.5 seconds left. The guys were screaming! They all rushed the floor. That was the team; that was us, bonding. It was really awesome to see."

Corporal Warren Regier (Construction Engineering): "brand new to basketball, incredibly athletic and hungry to learn – and that was really infections," Wilson says. "He wanted to know what he was doing wrong, and how to fix it."

That spread: Corporal Tony Botran (14 Air Maintenance Squadron) "took advice and executed it," along with Second Lieutenant Derek Haines (14 Operations Support Squadron).

"That really turned the team."

Despite round-robin losses against Gagetown (78-56) and Halifax (76-29), Greenwood still finished third overall with a 68-43 win over 12 Wing.

**14 Wing Greenwood's men's basketball team finished third at Atlantic regionals – but came out of the week of action inspired by some defining, cohesive moments that show promise for next season's program.**

Aviator D. Hamilton, 12 Wing Imaging

Wilson calls the semifinal against Gagetown a "vast improvement." while still a 84-72 loss, Aviator Evan Trites, a firefighter in his first year on the team, with his wife,

parents and grandparents in the stands; scored 33 points.

"Warren, Tony, Ramy, all the guys – they just trusted him to take the ball and get stuff done. There was no ego, no pride. It was just, 'let's get Evan the

ball, group around him and go!' We were so fluid in our fourth game."

Halifax will represent the Atlantic region at the CAF national basketball championship later this winter – the first

since 2019. There was plenty of pressure on the Halifax squad to win regional gold after losing to Gagetown in 2020, the last time regionals were held. That loss broke an impressive 17-year gold streak for Halifax. This year's championship game was far from a blowout, as Gagetown was up by 12 points at halftime, before Halifax rallied, shutting down their opponents and ending with a 79-68 victory.

Back at 14 Wing, Wilson is beside himself with enthusiasm for what lies ahead.

"It's been seven years since Greenwood had a good basketball team, and these guys – a lot of them are new and staying. I'm so excited for the future of this team."

Wilson, himself heading off to the CAF CISM basketball trials in the next few weeks, has a full calendar planned for his return: adding a few of the men's team players to Greenwood Minor Basketball's coaching volunteers (he's the club president), basketball-focused lifting days, skills training days, an August start to next year's team practices.... →

# Canada adds Aurora to Haiti support

February 5, Minister of National Defence Anita Anand and Minister of Foreign Affairs Mélanie Joly announced Canada has deployed a Royal Canadian Air Force (RCAF) CP140 Aurora long range patrol aircraft to support Canada's efforts to disrupt the activities of gangs in Haiti, and demonstrate Canada's commitment to the Haitian people.

Canada making efforts to address the dire secu-

city situation in the country and supports the Haitian National Police. Canada is providing this assistance in response to Haiti's request for support, as violence continues to escalate in the country.

The Aurora will provide intelligence, surveillance and reconnaissance capability to bolster efforts to establish and maintain peace and security for the people of Haiti. The CP140

aircraft has already deployed to the region and is currently operating over Haiti. It will remain in the region for a number of days.

Canada supports diplomatic efforts toward an inclusive political dialogue that will lead to fair and free elections. It has provided more than \$98 million in international assistance to

respond to the urgent and basic needs of the population, imposed sanctions on those responsible for the ongoing violence, including Haitian elites, who are enabling the gangs; and provided support to the Haitian National Police. In October and January, the RCAF airlifted Haitian-purchased armoured vehicles

to the Director General of the Haitian National Police in response to requests from the Haitian government. →

The 14 Wing Greenwood ZX Multisport Club will meet February 15, 4 p.m. to 5:30 p.m., in the Fitness & Sports Centre classroom.

Lieutenant-Colonel Eric Travis is a dedicated triathlete with international experience. On a past posting at 14 Wing (and pre-pandemic), the ZX Multisport Club had

a higher profile and level of activity; he'd love to see that return.

"I am interested in getting some like-minded folks together to see if we can breathe some life back into it," he says. "I'd like to generate an opportunity for anyone at 14 Wing who enjoys running, or biking or swimming - or all three; to discuss options for group runs, bikes or swims, potential fun events and races, and

any other ideas that might create a motivational training atmosphere.

"We can then shape the club from there."

The group is open to De-

fense Team and PSP Plan members (full plan or single-club activity pass holders, which includes the community around 14 Wing). If you're interested in the

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

## AUSTIN, Clarence Harvey

South Greenwood, Kings Co.

Austin, Clarence Harvey - It is with great sadness that we announce the passing of Clarence "Clay" Austin, after a lengthy illness. Clarence (82) passed away peacefully Sunday, February 5, 2023 in Mountain Lea Lodge, Bridgetown. Born in Doaktown, NB, he was a son of the late Earsel and Gwen (Mitchel) Austin. The family later moved to Marysville, NB where Clarence grew up until he enlisted in the Royal Canadian Air Force. He spent 35 years proudly serving his country, retiring as a Capt. Navigator. During his military career, he was posted to many bases across Canada, retiring at CFB Greenwood. Clarence always found his years flying on the Argus and later on the Aurora exciting and challenging. Some may have thought he was a shy man but once you got to know him, you realized he had a strong opinion on most subjects. Clarence was a member of the Greenwood Golf Club for many years and enjoyed the game with friends until HE DIDN'T - then the clubs went to the end of the driveway! Good times were spent at the family cottage on Lake George where many friends and family were the recipients of his friendship and much fun, especially his next door neighbour and good friend, Ron. Saturday afternoons you would find the two of them enjoying a beer on the back deck and reminiscing! It was during an early posting to Greenwood that Clarence met his wife, Diane and they celebrated 60 years of married life. Their daughter, Laurie Lee was born in Fredericton, NB. Regretfully, she passed away suddenly in 2014 at the young age of 51, leaving Clarence and Diane devastated and their lives changed forever. Clarence leaves behind to mourn his wife, Diane; grandchildren, Abby Wilson, Ian Wilson, Alberta; step-granddaughter, Erin Wilson (Mike) Steyn, BC; brother, David (Evelyn); niece and nephew, Melanie & Chris and grandnephew, Maddox, all of Winnipeg. Besides his parents, Clarence was predeceased by his daughter, Laurie Lee and his brother, Malcolm. We will always miss and lovingly remember you, Clarence, Love, Diane, Abby, Ian, and Erin. The family would like to thank Dr. Kevin McGuire, doctors and staff of Heart of the Valley LTCC, Middleton, doctors & staff of Soldiers' Memorial Hospital and the Veteran's Wing, Dr. Matthew Targett and staff of Grand View Manor, Berwick, Mountain Lea Lodge, Bridgetown, and Middleton Funeral Home for their care shown to Clarence. As per Clarence's wishes, there will be no funeral service. If desired, memorial donations may be made to the Alzheimer's Society, Heart & Stroke Foundation, or a charity of choice. The online guestbook may be signed by visiting: [www.middletonfuneralhome.com](http://www.middletonfuneralhome.com)

# Many hands turn breakfast into Chrysalis House playground support

**Wendy Richardson**

January 28, 40 local women who regularly gather as “Angels Among Us” met for breakfast and a social, and raised funds to help a worthy cause – the purchase of playground equipment for Chrysalis House.

Chrysalis House Association is a non-profit association serving Kings, Annapolis and Hants counties. It provides safe and non-judgmental services and supports that promote the health and well-being of women and children. Services are free and confidential. It is committed to enhancing the quality of life for many individuals by building community connections, providing support, advocacy, referrals, resources, public education,

community development, programs, playgroups, transportation and more.

I initially wasn't sure where to begin planning to fund-raise for this project, but the easiest event I could think of was having a breakfast party at my home - in recent past years, we held this same type of an event as a pajama party, collecting material things for Chrysalis House. This time, I recruited many friends to help with the breakfast, and then we contacted about 70 more friends to ask for donations and their attendance. The response was very encouraging!

Sondi from Tim Horton's was eager to come on board with coffee (delivered to the house by a gentle giant, Mathew Reagh). Some ladies brought food – muffins and

Several dozen ladies - the "Angels Among Us" - took a breakfast social opportunity to put their fundraising support behind a playground project for the Valley's Chrysalis House . Submitted

scones, biscuits, egg and hashbrown casseroles, bacon, fruit trays - it really was a tasty breakfast.

Barb Leduc donated a very powerful painting of women up lifting other women, “A woman - Angels Among Us.” This was presented to Ginger MacPhee, the executive director of Chrysalis House. There were several door prizes for guests who contributed financial donations. Heather Yeoman donated two nights in a Hilton Hotel, won by Tammy K. There were gift certificates, donated by Carol Molyneaux, Berwick Heights, Greenwood Golf Club and Eagle Crest Golf Course; and a surprise bag of Epicure

products, donated by Karen Reid.

There are so many people who stepped up to the plate for this event. Thank you to each and every one of you! The Public Service Alliance of Canada made a generous \$1,000 donation, and the Kingston Legion had allowed me to do a donation bottle December 24 (\$650). With the Saturday “Angels Among Us” event, we had a combined total of \$6,153 - pretty impressive!

Thank you to everyone who made this event so successful. If anyone would like to add to our donation, you may e-transfer wdrichardson@bellaliant.net. Tax
